

OPERATION JABEZ

SUMMER
2019

JOIN US IN PRAYER!

"Jabez cried out to the God of Israel, 'Oh, that you would bless me and enlarge my territory! ...'
And God granted his request." - 1 Chronicles 4:9-10

WE NEED YOUR PRAYERS

PRAYER is *vital* to life in Christ and the work of ministry... So, we are reaching out to you to share some specific needs that we have so that we can put our faith together through prayer! **We have some heavy burdens on our hearts and big needs that we need God to fulfill.** We believe that our Heavenly Father is GOOD and will PROVIDE as promised. He *hears our prayers* and is *moved to action* when we **cry out to Him by faith** and believe that **He will respond!**

Will you GIVE of your TIME and FAITH to lift up these needs in prayer?

Physical Needs

Ministry Building Construction.

Construction is continuing, but we have run into some challenges that have slowed progress. We owe about \$95,000 for the *construction* of the ministry building, and as we complete each room, we will need to *furnish, paint, supply*, etc. Pray for God's favor and provision! We need miracles!

Newer Safe Vehicles.

This year, *two* of our vehicles have become no longer drivable, and *our third (and last)* is following close behind. We are in *desperate need* of newer vehicles for the ministry! We are asking God to replace each one. We need a larger vehicle to *transport mission teams*, a 4x4 SUV for our *weekly ministry to rural areas*, and a smaller vehicles for our *missionaries!*

Growth of Our Team.

God is giving us *new opportunities* to build His kingdom! Pray that God will send us the right people to accomplish the work He has called us to do! As Jesus said to His disciples, "The harvest is plentiful, but the laborers are few; therefore *pray earnestly to the Lord of the harvest to send out laborers into his harvest.*" (Matt 9:37-38)

Spiritual Needs

Lives to be transformed.

Pray that the *love of Jesus* and *message of the Gospel* would be clearly communicated and demonstrated in all that we do and say. Pray that people would *give their lives to Jesus* and *be transformed* by His truth and love.

God's Protection.

We need the Lord to surround us and protect us *physically* as well as *spiritually*. Pray for the *health, strength, and safety* of our *team, families, the people we are ministering to, as well as those who come to visit!*

Godly Wisdom & Discernment.

We need *supernatural wisdom* and *discernment* from the Lord. We need His guidance as we *serve, teach, give, lead, and make decisions*. Pray that our hearts and minds would be *in line with His*. Pray that we would be *obedient* to the voice of God and the leading of the Holy Spirit *every day!*

Thank you and God bless!

-The Operation Jabez Team
