2016 Winter Newsletter

**Hello everyone,**

We can hardly believe that another year has gone by! God has filled 2016 with many things, and we are blessed to have you as part of our Operation Jabez Family. For some of you, this is your first time reading one of our newsletters. Others of you have been with us since day one and are forever faithful. And because of that, WE are excited to move forward TOGETHER with you into 2017!

As we have been looking back over this past year, we are overwhelmed by all of the amazing things that God has done by His power, through your **constant prayer, faithful support, and even time with us!**

From the bottom of our hearts, THANK YOU for your passion for the people of Guatemala, and for keeping us going every day. May God bless you and your family this holiday season!

Merry Christmas & Happy New Year!

# Meet Susan

**Susan Buller** is a dear and beloved friend of Operation Jabez. She has visited Guatemala many times and became close friends with our founder, Carol Gleeson. Since then, she began to partner with us personally, working alongside of us directly for many years. We have been extremely blessed to have such an incredible woman of God ministering alongside of us! Just a few months ago, she felt God leading her to give and make it possible for a pastor in need to have their own motorcycle. Until now, they have had to walk virtually everywhere! She was always full of joy at the thought of giving sacrificially of her time, energy, resources,

and love to the people of Guatemala!

Susan has since passed on to be with the Lord together, just a few months ago!

*She believed strongly  
in our VISION  
and our FUTURE!*

Thank you to all who helped Susan and her amazing family get to Guatemala this summer. Thank you to each of you who have generously given to Operation Jabez in remembrance of Susan. By request of Susan's family, all donations have been directed to the construction of our ministry building. This is such an honor because Susan saw the very beginning stages of the construction process and our most recent progress. She believed strongly in our vision and our future!

Partnering with Operation Jabez is a **simple commitment** to **PRAY** and to **GIVE**.

Will YOU partner with us to reach the nation of Guatemala for Jesus Christ?
